

Spring Street Sweeping 2010

The Highway Division will be commencing the Spring Sweeping Program on April 5, 2010. The program will begin in the center of Town and progress throughout the Town and will take place between the hours of 7:30 AM-3:00 PM Monday through Friday.

The Highway Division would like your assistance as this program continues through the months of April, May and June. Residents are asked to sweep their sidewalks into the street. Please don't sweep the sand into a pile since that makes it more difficult for the sweepers to pick up the material. Further, we ask that residents do not park vehicles along the road during this process as street sweepers will not return once they have left an area.

For questions, please call the Highway Division at 508-695-9621.
Your assistance is appreciated!
