# TOWN COUNCIL MEASURE SUBMITTAL

Date: 01/22/2024      Submitted By: Town Manager      Telephone #: 508-699-0100

**MEASURE DESCRIPTION:**

Appropriation request for the utilization of FY23 Retained Earnings for Comcast PEG Access for North TV (for additional funding for Measure 2023-073) for the North Attleboro High School Press Box in the amount of \$8,335.50.

Signed: Michael Borg Digitally signed by Michael Borg  
Date: 2024.01.21 15:37:55 -05'00'

**PURPOSE AND JUSTIFICATION:**

Each year the Town receives funds from Comcast for the funding of North T.V. Capital Improvement Projects to enhance PEG access. Measure 2023-073-Utilization of FY23 Retained Earnings for Comcast PEG Access for North TV was approved in the amount of \$6,600.00 for the following capital purchases:

2 Sony 100M Hybrid Optical Cable	\$2,750.00
1 325' SDI Cable (2), Audio (2), CAT5 (1)	\$1,250.00
Install- Snake Sony camera cables, audio, video and CAT cable between press box and van location. Terminated cables	\$2,500.00
Incoming Freight	\$100.00
<b>Total :</b>	<b>\$6,600.00</b>

After this amount was approved by the Town Council, North TV Director Peter Gay met with the Vendor, Ockers Company, and the scope of services was modified, additional equipment was needed and therefore additional funding was required.

The addition of a digital scoreboard and feeding video from the North TV production van to the press box requires additional cables, equipment, monitors, and installation expenses that had not been originally anticipated. The cables and equipment include 325' SDI cables, one 31.5" 4K Hi-Def monitor, one 28" 4K Hi-Def monitor, two wall mounts for the monitors, additional cables and connectors and the necessary installation. This additional equipment totals \$8,335.50.

Therefore, I respectfully request that the Town Council approve the request for the utilization of FY23 Retained Earnings for Comcast PEG Access for North TV for the North Attleboro High School Press Box in the amount of \$8,335.50. These funds will supplement the request of approved Measure 2023-073-Utilization of FY23 Retained Earnings for Comcast PEG Access for North TV was approved in the amount of \$6,600.00 for the North Attleboro High School Press Box.

### MEASURE DESCRIPTION:

Award Sisters at Heart \$25,000.00 of ARPA NEU Funding.

Signed: Michael Borg Digitally signed by Michael Borg  
Date: 2024.01.21 16:03:02 -05'00'

### PURPOSE AND JUSTIFICATION:

#### Purpose:

The primary purpose of this measure is to authorize the allocation of funds from North Attleborough's American Rescue Plan Act (ARPA) Non-Entitlement Unit (NEU) funds to Sisters@Heart. Specifically, the measure seeks to address the funding shortfall caused by the recent 9C cuts, ensuring the completion of a critical health project initiated by Sisters@Heart.

#### Justification:

**Completion of AED Installation Project:** The installation of Automated External Defibrillators (AEDs) is a public safety priority. AEDs are essential in providing immediate assistance in cardiac emergencies, significantly increasing the survival rate from sudden cardiac arrests. The measure will ensure the completion of installing the remaining four AEDs, making them accessible to the public, especially in high-traffic areas. The 50% reduction in the earmarked funds due to the Governor's 9C cuts has created a significant financial gap for Sisters @ Heart. Utilizing a portion of the ARPA NEU funds, which currently stands at \$600,000, to fill this gap is a strategic and impactful use of these resources.

**Community Impact and Awareness:** Sisters @ Heart plays a crucial role in supporting the community and raising awareness about heart and brain health. This aligns with the broader goals of Town Council with support for public health and community welfare.

**Utilization of ARPA Funds:** The ARPA NEU funds are intended to support urgent COVID-19 response efforts, replace lost public sector revenue, support immediate economic stabilization, and address systemic public health and economic challenges. The funding for Sisters @ Heart falls within these guidelines, as it addresses a public health need and contributes to the community's long-term well-being.

Appropriation request for the utilization of FY24 Retained Earnings from Verizon PEG Access Account to Purchase New Server Equipment for North T.V in the amount of \$16,259.70

### PURPOSE AND JUSTIFICATION:

The Cablecast unit that provides the complete operation of North TV's video storage, playback, program replay and video on demand services has reached a point where the available storage has fallen to a point that is below 17%.

The North TV staff have been receiving warnings since the capacity fell under 20% warning that the lack of storage can lead to problems with operation. This has happened on at least one occasion when the meeting of one board appeared in the file of another board.

North TV received a quote that will increase the storage by 30TB (the existing unit, purchased almost six years ago, had only 27TB).

North TV will also upgrade the video on demand and automation servers providing a more secure and uniform operation.

Therefore, an appropriation request for the utilization of FY24 Retained Earnings from Verizon PEG Access Account to purchase new server equipment for North T.V. in the amount of \$16,259.70 is being requested for your consideration.

The Capital Improvement Stabilization Fund is a critical strategic tool enabling the Town to address financial and community goals. Transferring \$3 million from available Free Cash to the Capital Improvement Stabilization Fund is a strategic and forward-thinking decision that ensures the community is investing in its future. This action addresses future infrastructure needs and lays the groundwork for sustainable growth, improved public safety, and enhanced quality of life for all residents. Most importantly, transferring these funds demonstrates fiscal responsibility, strategic planning, and a commitment to the well-being and prosperity of North Attleborough.

The current FY24 Free Cash balance is: \$5,272,248.18.

Therefore, I respectfully request that the Town Council authorize to transfer \$3 million dollars of FY24 Free Cash to the Capital Improvement Stabilization Fund.
