TOWN COUNCIL MEASURE SUBMITTAL

Date: 1/31/2025

Submitted By: Councilor Mark Gould

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

To authorize the Town Manager to petition the Massachusetts General Court for a special act authorizing a means-tested senior citizen property tax exemption of \$1,000. AMENDED

Signed: _____

PURPOSE AND JUSTIFICATION:

This special act is designed to provide targeted property tax relief to seniors and help them continue to thrive and be able to afford to live in North Attleboro and additionally provides an added measure of protection from tax increases. The act is entitled: An act authorizing the city known as the Town of North Attleborough to establish a means-tested senior citizen property tax exemption.

There have been many communities in the position that North Attleboro finds itself in, cognizant of the tax burden of its senior citizens with rising assessments and taxes for those on fixed incomes. In recent years many communities have adopted special acts in order to shield their aging population that has contributed to the town for decades but finds itself in an untenable financial situation with rising health care costs, medicine, food, and general costs of living that have outpaced their fixed income.

This special act, as many other special acts passed by other communities, is pegged to the Massachusetts Circuit Breaker Income Tax Credit criteria that are substantially as follows and are more completely set forth in the attached proposed special act. This special act would compliment the Circuit Breaker credit and add a layer of protection to Senior Citizens whose income doesn't exceed:

\$72,000 for a single individual who is not the head of a household; \$91,000 for a head of household; \$109,000 for married couples filing a joint return; These amounts are adjusted annually and tied to the CPI; And other asset and residential criteria as specified in the attached special act.

Motion: To authorize the Town Manager to petition the Massachusetts General Court for a special act in the form set forth in the special act as amended entitled: "An act authorizing the city known as the Town of North Attleborough to establish a means-tested senior citizen property tax exemption", authorizing a means-tested senior citizen property tax exemption; provided, however, that the General Court may reasonably vary the form and substance of this requested legislation within the scope of the general public objectives of this petition.

SPECIAL REQUIREMENTS: Requires Majority Vote of Town Council, MA House, Senate, and Governor

ATTACHMENTS: Proposed Special Act, Other Communities Special Acts

Vote to Designate the Position of School Committee Member as Special Municipal Employee Under MGL Chapter 268A, Section 1(n)

PURPOSE AND JUSTIFICATION:

Purpose and Justification

The purpose of this measure is to formally designate the position of School Committee member in the Town of North Attleborough as a Special Municipal Employee (SME) under Massachusetts General Laws Chapter 268A, Section 1(n). This designation provides appropriate flexibility under the conflict of interest law for individuals serving in elected or appointed part-time municipal roles who may also be involved in volunteer or civic activities that support the schools or broader community.

This action is being taken in light of a current School Committee member's voluntary participation in a Parent Teacher Organization (PTO) at one of the Town's public schools. While this service is entirely voluntary and uncompensated, it may intersect with the School Committee's scope of governance, potentially triggering conflict of interest concerns under MGL Chapter 268A.

Designating the position as a Special Municipal Employee ensures that the Town is compliant with state ethics laws while also recognizing and supporting the value of civic engagement by elected officials. It allows School Committee members, subject to the appropriate disclosures and recusal requirements, to continue supporting their schools and community in a manner that aligns with both the spirit and the letter of the law.

This designation does not exempt the position from conflict of interest law, but rather adjusts certain thresholds and filing requirements in accordance with the SME provisions of Chapter 268A. It promotes transparency, ethical governance, and participation in school-related volunteerism without placing unnecessary burdens on public servants acting in good faith.

Town Manager Michael Borg FY25 Performance Review Summary Date: 5/28/25

PURPOSE OF EVALUATION:

The purpose of this evaluation instrument is to formally appraise the Town Manager's performance on an annual basis. The document allows the Town Council to assess the Town Manager's performance in the following areas:

- Service and Support to the Town Council
- Budget Preparation and Administration
- Managerial Skills
- Human Resources Management
- Public Relations / Customer Service
- Goal Setting and Achievement

Summary: Across all 6 areas of evaluation, the majority of Town Councilors believe that Town Manager Borg Meets, or Exceeds Expectations. The Town Manager, as well as HR, have been provided with the individual reviews, as well as with the summary. Regarding the reviews, areas of particular strength were around Budget Preparation and Administration, as well as Goal Setting & Achievement. While still meeting or exceeding expectations overall, Public Relations / Customer Service was noted by some councilors as a developmental opportunity. I encourage Town Manager Borg to reach out to individual councilors to discuss their reviews, should he have any questions.

Thank you,

Justin Pare'
North Attleboro Town Council President
