Clause 22G, Veteran whose property is being held in trust for their benefit will now qualify. A veteran would have to qualify for an exemption if property was not held in trust. Without this Clause, the veteran would not qualify for the exemption if the house were held in a trust.

Clause 22H, Full exemption to qualifying surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who during active duty suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death or are missing in action with a presumptive finding of death as a result of active duty service as members of the armed forces of the United States.

Clause 41A, Seniors may delay payment of their property taxes. A deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. Upon qualification the senior would enter into a written tax deferral and recovery agreement with the assessors. ## TOWN OF NORTH ATTLEBOROUGH BOARD OF ASSESSORS

John V. Bellissimo, *Chairman*  
Paul B. Pinsonnault  
Gene Morris

Cheryl Smith  
*Assistant Assessor*

Date: February 2, 2023

To: Michael Borg, Town Manager

From: Cheryl Smith, Assistant Assessor

RE: Statutory Exemptions-local options for Fiscal 2024

At the North Attleborough Board of Assessors meeting on February 2, 2023 the Board of Assessors voted unanimously to present to the Town Manager the following:

To see if the Town will vote to accept Massachusetts General Laws Section 4 of Chapter 73 of the Acts of 1986 as amended by Chapter 126 of the Acts of 1988 which allows an additional real estate tax exemption of one hundred percent, (100%) of said exemption under Clauses 17D, 22, 37, 41C, of section 5 of Chapter 59 of the Massachusetts General Laws. Passage of this article will return qualified property owners a tax exemption that compensates for the effects of inflation since the exemptions were initially established.

**Clause 22G**, Veteran whose property is being held in trust for their benefit will now qualify. A veteran would have to qualify for an exemption if property was not held in trust. Without this Clause, the veteran would not qualify for the exemption if the house were held in a trust.

**Clause 22H**, Full exemption to qualifying surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who during active duty suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death or are missing in action with a presumptive finding of death as a result of active duty service as members of the armed forces of the United States.

**Clause 41A**, Seniors may delay payment of their property taxes. A deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. Upon qualification the senior would enter into a written tax deferral and recovery agreement with the assessors. The assessors will record the agreement at the Registry of Deeds. The current Income limit (gross receipts) is \$20,000 for both a single person or married couple. The Board of Assessors support the local option change to \$20,000 for a single person and \$40,000 for a married couple. This is consistent with the Fiscal 2022 local option changes to Clause 41C (Elderly) After discussion with Christopher Sweet, Treasurer/Collector they unanimously agreed to support a change in interests from 8% to 5%.

**Clause 56**, Upon the acceptance by the Town, the Board of Assessors may grant an Abatement/Exemption up to 100 percent of the total tax assessed to members of the Massachusetts National Guard and to reservists on active duty in foreign countries for the Fiscal Year they performed such service subject to eligibility criteria to be established by the Board of Assessors. The authority to grant abatements under this section shall expire after 2 years of acceptance unless extended by a vote of the Town Council.

As an update:

**State Reimbursements**, At the end of each Fiscal Year exemption totals are reported to the DOR and reimbursements are made to the Town for many of the exemptions granted. For Fiscal Year 2021 a total of \$96,325.62 was reimbursed out of \$276,413.12 granted. For Fiscal Year 2022 with the newly adopted changes a total of \$103,127.24 was reimbursed out of \$297,777.24 granted.

Sincerely,

-------	------------	---------------	--------------	-------------	--------------

**MEASURE DESCRIPTION:**

Establish a Maximum Dollar Amount of \$9,999.99 for Town Manager Line Item Transfers for FY2024

Signed:  07 APR 23

**PURPOSE AND JUSTIFICATION:**

Article VI, Section 6-6 (c) of the Town Charter allows the Town Manager to make line item transfers within the budget during the fiscal year provided such transfers are of unencumbered funds and are reported to the Town Council within seven (7) days of said transfer. The maximum dollar limit of transfers must be set by the Town Council during each fiscal year. Additionally, the Town Council may establish rules regarding any appropriations transfers above and beyond the seven day notification should the Council feel the need.

For FY2020 and FY2021 that amount was capped at \$5,000.00 and pursuant to Article VI, Section 6-6 (c) notification from the Town Manager is sent to the Town Council within seven (7) days of the transfer approval. At the 4/12/2021 Town Council Meeting, Measure 2021-064 -Establish a Maximum Dollar Amount for Town Manager Line Item Transfers of FY2022 and increase the amount to \$10,000.00 was voted and approved. This process has worked well and I wish to keep this amount in line with Chapter 30B that allows for best business practices for expenditures up to \$9,999.99.

Therefore, I respectfully request the Town Council vote "to approve, per Article VI, Section 6-6(c) of the Town Charter, a maximum limit for line item transfers that the Town Manager may approve at \$9,999.99 for fiscal year 2024."

**MEASURE DESCRIPTION:**

To see if the Town Council will vote to accept the increase in the Cost of Living Adjustment (COLA) base for Retirees from \$14,000 to \$16,000

Signed:  18MAY23

**PURPOSE AND JUSTIFICATION:**

Under Chapter 32, Section 103, the board of any system may increase the maximum base amount on which the cost of living adjustment (COLA) is calculated, in multiples of \$1,000.

The current COLA is 3% of the \$14,000 base, which is \$420 annually for eligible retirees. If approved, the 3% COLA with a \$16,000 base would increase by \$60 to \$480 annually. The total additional cost to the retirement system for the current pension recipients would be less than \$25,000 per year.

The increase is vital to keep pace with inflation.

The retirement Board voted 4-0 to approve this increase at the April 27, 2023 meeting.

**MEASURE DESCRIPTION:**

Approval of Transfer of FY23 Supplemental Free Cash in the amount of \$250,000.00 to construct Pickleball Courts

Signed:  **ZIMATIS**

**PURPOSE AND JUSTIFICATION:**

**Purpose:**

The purpose of funding pickleball courts is to provide a dedicated recreational space that promotes physical activity, social interaction, and community engagement. By investing in pickleball courts, we aim to create opportunities for individuals of all ages and skill levels to participate in a popular and inclusive sport, enhancing the overall well-being and quality of life within our community.

**Justification:**

1. Addressing the Growing Demand: Pickleball is one of the fastest-growing sports in the United States, with a broad appeal across different age groups and skill levels. By funding pickleball courts, we respond to the increasing demand within our community for accessible and well-maintained facilities that cater to this growing interest. Providing adequate infrastructure for pickleball enthusiasts demonstrates our commitment to meeting the recreational needs of our residents.
2. Promoting Physical Fitness and Health: Pickleball is a low-impact sport that offers numerous physical health benefits. By investing in pickleball courts, we encourage active lifestyles and provide opportunities for residents to engage in regular exercise. Regular participation in pickleball can improve cardiovascular health, increase flexibility and balance, and promote overall well-being. These benefits contribute to a healthier community and reduce the risk of sedentary lifestyles and associated health issues.

- 3. **Fostering Social Interaction and Community Cohesion:** Pickleball is a social sport that encourages friendly competition, teamwork, and camaraderie. By funding pickleball courts, we create a gathering place where individuals can come together, build connections, and foster a sense of community. The sport's inclusive nature allows people of different ages, backgrounds, and abilities to participate, promoting diversity and inclusivity within our community.
- 4. **Enhancing Quality of Life and Recreation Options:** Accessible and well-maintained pickleball courts contribute to the overall quality of life within our community. By providing residents with a dedicated space for pickleball, we expand the range of recreational opportunities available to them. This investment enriches the leisure options and encourages active engagement, ultimately enhancing the overall satisfaction and happiness of our community members.
- 5. **Economic and Tourism Benefits:** Establishing pickleball courts can attract enthusiasts from neighboring communities, generating economic benefits for local businesses, restaurants, and hotels. Tournaments and events held at the courts can draw participants and visitors, boosting tourism and stimulating the local economy. By investing in pickleball infrastructure, we support both community recreation and potential economic growth.

3. Mitigating Potential Risks: Every public space faces potential risks. Investing in safety and security measures will help mitigate these risks and safeguard the valuable assets, documents, and equipment within Town Hall. By protecting these assets, we can avoid significant financial losses, prevent disruptions in public services, and maintain the integrity of the Town Hall as a vital community institution.

4. Promoting Public Trust and Confidence: A safe and secure Town Hall sends a strong message to the community, demonstrating the government's commitment to public safety and well-being. By proactively addressing security concerns, we build trust and confidence among residents, encouraging increased public engagement, participation in town meetings, and collaboration with local authorities. This, in turn, leads to a more inclusive, transparent, and responsive local governance system.

In conclusion, funding safety and security measures in Town Hall serves the purpose of protecting public safety, safeguarding public officials and staff, mitigating risks, and promoting public trust. **MEASURE DESCRIPTION:**

Approval of Transfer of FY23 Supplemental Free Cash in the amount of \$479,838.00 to the Capital Improvement Stabilization Fund

Signed:  31MAY23

**PURPOSE AND JUSTIFICATION:**

Page 1 of 3

**Purpose:**

The purpose of transferring \$479,838 into the capital improvement stabilization account is to ensure the availability of a dedicated funding source for future Town projects aimed at improving infrastructure, public facilities, and community services. By allocating these funds into the account, we secure the necessary financial resources to support critical capital improvement initiatives, enhance the overall quality of life for residents, and promote sustainable growth and development within the Town.

**Justification:**

- 1. Planning for Long-Term Infrastructure Needs:** The transfer of funds into the capital improvement stabilization account enables the Town to plan for and address long-term infrastructure needs. Infrastructure, including critical equipment and public buildings, requires regular maintenance, repair, and sometimes major upgrades. By accumulating funds in the stabilization account, we establish a financial reserve specifically designated for infrastructure projects, ensuring that the Town can effectively manage and prioritize these critical needs in a proactive and strategic manner.
- 2. Ensuring Financial Stability:** Transferring funds into the capital improvement stabilization account demonstrates responsible financial management and provides stability for the Town's budget. By setting aside resources for future projects, we minimize the reliance on borrowing or unexpected budgetary strains, ensuring the availability of funds to support necessary capital improvements.

This approach reduces the burden on taxpayers and fosters confidence in the Town's financial management practices.

3. **Leveraging Opportunities for Grant Funding:** Many capital improvement projects are eligible for state, federal, or private grants that can provide additional financial support. By establishing a capital improvement stabilization account, the Town can leverage these opportunities more effectively. Having funds readily available allows the Town to meet matching fund requirements, increasing the chances of securing grants and maximizing the resources available for capital projects. This strategic approach enhances the Town's ability to undertake more substantial projects and make a greater impact on community development.

4. **Enhancing Quality of Life and Public Services:** The capital improvement stabilization account serves as an investment in the Town's future, enabling the implementation of projects that enhance the quality of life for residents and improve public services. Funds from the account can be allocated towards the construction or renovation of a number of projects and amenities that promote community engagement, social well-being, and cultural enrichment. These improvements contribute to a more vibrant, inclusive, and attractive Town, benefiting residents and attracting businesses and new investments.

within the Town. By investing in capital improvement projects, we create an environment that encourages private sector investments, job creation, and economic development. These projects can include revitalizing our downtown area, improving transportation systems, and upgrading utility infrastructure, among others, fostering a thriving and sustainable local economy.

6. Resiliency and Future Preparedness: Setting aside funds in the capital improvement stabilization account also allows the Town to prepare for unforeseen emergencies, natural disasters, or unexpected events that may require immediate infrastructure repairs or upgrades. Having readily available resources ensures the Town's ability to respond effectively and swiftly, minimizing disruptions and facilitating a faster recovery.

In conclusion, transferring \$479,838 into the capital improvement stabilization account serves the purpose of planning for long-term infrastructure needs, ensuring financial stability, leveraging grant opportunities, enhancing the quality of life and public services, supporting economic development, and fostering resiliency and future preparedness. This allocation of funds demonstrates a forward-thinking approach to community development, positioning the Town for sustainable growth and improving the overall well-being of its residents.

4. Reliability and Reduced Maintenance Costs: Aging motorcycles are more prone to mechanical breakdowns and require frequent and costly repairs. The associated maintenance costs can strain the budget and divert resources that could be allocated to other critical areas. By funding the replacement of aging motorcycles, we ensure the availability of reliable vehicles with reduced maintenance requirements, leading to lower long-term operational costs and better utilization of limited resources.

5. Technological Advancements: New police motorcycles often come equipped with advanced technology and features that improve officer efficiency and effectiveness. These advancements can include integrated communication systems, GPS tracking, enhanced lighting and sirens, and improved fuel efficiency. By investing in modern motorcycles, we provide our officers with the tools they need to perform their duties more effectively, leading to increased productivity and better outcomes in law enforcement operations.

6. Long-Term Cost Savings: While funding the replacement of aging police motorcycles requires an initial investment, it can lead to long-term cost savings. Newer motorcycles often have improved fuel efficiency, reducing ongoing fuel expenses. Additionally, their enhanced reliability and reduced maintenance needs result in lower repair and maintenance costs over time. Considering the long-term benefits and cost savings, investing in new motorcycles becomes a financially prudent decision.

**PURPOSE AND JUSTIFICATION:**

Page 3 of 3

In summary, funding and replacing aging police motorcycles serve the purpose of prioritizing officer safety, enhancing mobility and response times, improving community policing efforts, reducing maintenance costs, incorporating technological advancements, and achieving long-term cost savings. By making this investment, we demonstrate our commitment to the safety and well-being of our officers, while also ensuring effective law enforcement operations and maintaining public trust in the police force.

Therefore, I respectfully request that the Town Council vote to re-appropriate \$72,495 from the following accounts:

M2020-034 Cruiser Replacement    \$20,128.67

M2021-065 Cruiser Replacement    \$52,366.33

Both M2023-034 and M2021-065 are funded by Free Cash from their respective years as indicated in the measure number.
