Date: 2024.01.21 15:25:01 -05'00'

PURPOSE AND JUSTIFICATION:

Purpose:

To request an exemption from mail-in ballots for the April 2024 Town election.

Justification:

The timeline for preparing and distributing mail-in ballots for the Town election is closely aligned with the demanding schedule of the Presidential Primary election in March. The process begins 33 days prior to the Town election, involving a meticulous setup and approval procedure with Elections Systems & Software, followed by a printing phase. This concurrent scheduling poses significant challenges in ensuring the timely receipt of ballots by the Elections office, especially early voting and absentee ballots. Upon receipt, each ballot undergoes a rigorous accuracy check before being dispatched to voters. This overlapping timeframe creates an intensive workload, heightening the risk of errors in processing and mailing the ballots. Moreover, it compresses the period available for voters to receive, complete, and return their ballots, potentially impacting the integrity and efficiency of the voting process. Therefore, opting out of mail-in ballots is proposed to mitigate these risks and ensure a smooth and error-free election process.

MEASURE DESCRIPTION:

Approval to repurpose remaining funds in the amount of \$128,100.58 from previous School Capital Improvement Projects be used for the Early Learning Center Playground Project

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2023.12.10 18:11:11 -05'00'

PURPOSE AND JUSTIFICATION:

This request is to ask for approval to repurpose remaining funds from the following:

Measure 2020-034- Utilization of Free Cash to Fund Capital Projects and One Time Expenses- FY20 Free Cash. One of the Capital Improvement Projects was for the Middle School Walk in Freezer Replacement in the amount of \$75,000.00 The walk in freezer project has been completed. The current balance in this account is \$33,100.58. Account 30300287-587001

Measure 2023-015- General Government Capital Improvement Plan Projects- FY23 Free Cash. One of the Capital Improvement Projects was for Lavatory Remodeling Projects for various schools in the district in the amount of \$75,000.00. Multiple bathroom remodel projects have been completed district wide. The current balance in this account after completion of the bathrooms is \$35,000.00. Account 30300315-582004

Measure 2023-062- General Government Capital Improvement Plan Projects-FY23 Free Cash. One of the Capital Improvement Projects was for the Early Learning Center Surface Replacement in the amount of \$60,000.00. This project has not begun. At the Early Learning Center, there was an oil tank that was recently removed, which has disturbed a portion of the existing playground. In order to have the playground fully functional, we need to fix the structure to include a ramp, replace the existing surfacing, repair a portion of surrounding asphalt surfacing and install a new fence. The original amount allocated in the CIP did not take into account the oil tank removal and other relevant repair work. Account 30300362-558202

Therefore, it is requested that \$35,000.00 from Measure 2023-015, \$33,100.58 from Measure 2020-034, in addition to the \$60,000.00 from Measure 2023-062 (which had already been allocated to this project) remaining funds in the amount of \$128,100.58 be repurposed for the Early Learning Center Playground Project.

MEASURE DESCRIPTION:

Utilization of Free Cash to Fund Capital Projects and One Time Expenses

Signed: 

PURPOSE AND JUSTIFICATION:

By rescinding the borrowing authorized by Town Meeting at the June 2019 Annual Town Meeting the Town may now utilize Free Cash to purchase items that would otherwise have incurred debt. The attached list of items will be purchased utilizing free cash.

Therefore I respectfully request the Town Council to approve the use of free cash in the amount of \$1,852,500.00 to purchase the following:

(See the attached list of one time expenses and capital items)

Capital Projects - Free Cash

ITEM	AMOUNT	FISCAL YEAR	DESCRIPTION	SOURCE OF FUNDS		
1.	\$ 205,000	2020	Police Front Line Cruiser Replacements	Police		
			Units 4	Free Cash		
			Fleet vehicles are replaced every 90,000 miles, as repairs become more costly and liability increases due to mechanical issues and malfunctions.			
			Estimated Life is: 3 years			
2.	\$ 280,000	2021	Police Front Line Cruiser Replacements	Police		
			Units 5	Free Cash		
			Fleet vehicles are replaced every 90,000 miles, as repairs become more costly and liability increases due to mechanical issues and malfunctions.			
			Estimated Life is: 3 years			
3.	\$ 70,000	2020	Voting Machines Replacement	Elections		
			Units 11	Free Cash		
			The Board of Elections has a CIP in for new election machines, which we need to replace the current election tabulators, which were purchased between 1992 and 1995. The machine that prints the election results uses a DOS program and has a keyboard that cannot be changed, as it is wired into the computer.			
			Estimated Life is: 15-25 years			
4.	\$ 90,000	2020	Playground Equipment Replacement	Park and Rec		
			Units 1	Free Cash		
			Playground equipment wears out with extended use, replacing worn equipment ensures the safety of the children. The unique and innovative rocket design of this piece will also help to increase a sense of community and Red Rocketeer pride.			
			Estimated Life is: 25 years			
5.	\$ 25,000	2021	Town Hall Parking Lot Lights Replacement	Town Manager		
			Units 20	Free Cash		
			Several of the lights in the municipal parking lot no longer work, and those that still work are inefficient. Rather than replace the current bulbs with inefficient bulbs, we believe it would be advantageous to replace the lights with LEDs. Also, we use a manual timer to turn on and off the lights. Adjusting the timer adds to the Town Hall Custodian's tasks and increases the likelihood that the lights will be left on when they are not needed and left off when we need them. Incorporating sensors that turn the lights on and off based on the available sunlight will save staff time and help ensure the lights are on when we need them.			
			Estimated Life is: 15-20 years			
6.	\$ 50,000	2020	Generator Replacement for Smith Street	DPW - Highway		
			Units 1	Free Cash		
			This new generator is needed to replace an old and outdated generator. This generator supply's power to the Highway Department Building at 240 Smith St. as well as the fuel pumps which are needed during adverse conditions.			
			Estimated Life is: 25-30 years			
7.	\$ 80,000	2020	One Ton Dump Truck with Plow	DPW - Highway		
			Units 1	Free Cash		
			This request would replace a 2001 one-ton dump truck and plow. These smaller dump trucks are used everyday throughout the year, including snow plowing.			
			Estimated Life is: 15 years			
8.	\$ 100,000	2020	Solar Cast Bathrooms for WWI Park	Park and Rec		
			Units 1	Free Cash		
			Pre Cast Solar bathroom for WW I Park (Ski Hill) to save on time and fuel costs.			
			Estimated Life is: 25 years			
9.	\$ 75,000	2020	Walk-In Freezer Replacement	School		
			Units N/A	Free Cash		
			The Middle School walk-in freezers and coolers are all supported by one original roof top condenser unit. This roof top unit consist of three components with the freezers and coolers, and the entire unit will need to be replaced. Unfortunately, because of the age of this individual replacement of this equipment is no longer an option, and we will need to replace all of the components at one time. 3 condenser coils, 3 compressors, 3 roof top fans, 3 evaporators and all of the associated piping and racks.			
			Estimated Life is: 25 years

MEASURE DESCRIPTION:

Approval to repurpose remaining funds in the amount of \$131,802.00 from previous School Capital Improvement Projects to be used for the Purchase of Two F-Series Super Duty Pickup Trucks and Truck Equipment

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2023.12.10 18:12:34 -05'00'

PURPOSE AND JUSTIFICATION:

Purpose:

This request is to ask for approval to repurpose remaining funds from:

Measure 2021-065- FY2022 Capital Improvement Projects- Utilization of FY22 Free Cash. Account 30300165 - 585100. One of the Capital Improvement Projects was for the School Department's Replacement of Two Maintenance Vehicles in the amount of \$110,000.00. One vehicle was purchased in the amount of \$33,198 and the remaining balance is \$76,802.00. The original measure had a reference to hybrid vehicles. After further evaluation the needs of the department, the recommendation is to fund the purchase of two F-Series Super Duty Pickup Trucks.

Measure 2023-015- FY2023 General Government Capital Improvement Plan Projects- FY23 Free Cash. Account 30300315-585100. One of the Capital Projects was for the School Department's Replacement of One Maintenance Vehicle in the amount of \$55,000.00. This CIP was intended to fund vehicle replacement for the School Maintenance Department.

Justification:

When the request was originally submitted, a quote was secured for two transit vans from state bid vendor MHQ. The Schools then received a notification from the vendor that Ford cancelled all outstanding orders and would not be offering price protection, due to inflation, global microchip shortage, supply chain issues, and lingering impacts of the pandemic. The transit vans, as well as comparable hybrid vehicles, were no longer available, and would not be available for the foreseeable future. The Schools then requested a quote for vehicles that they feel will equally support the Facilities Department. Measure 2023-015 was originally funded for \$55,000; however, the cost of the individual vehicle is \$65,901. This article needs to be modified, as requested, to reflect appropriate funding.

TOWN COUNCIL MEASURE SUBMITTAL

Date: 11/13/2023

Submitted By: Town Manager

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

To see if the Town Council will conduct a comprehensive examination of Chapter 108, Article 1 within the General Bylaws, as well as Chapter 290, Use Schedule B found in the Zoning Bylaws and then provide revisions as necessary or needed.

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2023.11.08 16:38:58 -05'00'

PURPOSE AND JUSTIFICATION:

Purpose:

The purpose of this proposed measure is to ensure that the town's regulatory framework remains up-to-date and aligned with the evolving needs and objectives of North Attleborough, MA. By conducting a thorough review and revision of Chapter 108, Article 1 in the General Bylaws and Chapter 290, Use Schedule B in the Zoning Bylaws, the town aims to achieve several essential goals:

Justification:

1. **Legal Compliance:** Regularly reviewing and updating local bylaws is essential to ensure compliance with state and federal laws. Failure to do so can result in legal challenges and potential liabilities for the town.
2. **Enhanced Clarity:** Outdated or unclear bylaws can lead to misunderstandings, disputes, and inefficiencies in the permitting and regulatory processes. A comprehensive revision will help clarify requirements and procedures for residents, businesses, and town officials.
3. **Adaptation to Changing Needs:** North Attleborough is a community with evolving needs and priorities. By revising these bylaws, the town can better adapt to changing circumstances and environmental considerations.
4. **Community Engagement:** Involving residents and stakeholders in the revision process can foster a sense of community ownership and ensure that the bylaws reflect the collective vision and values of North Attleborough.
5. **Streamlined Processes:** Outdated bylaws can result in cumbersome and inefficient administrative processes. The revision aims to streamline these processes, reducing administrative burdens and associated costs.

FY24 Free Cash Strategy Proposal

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2023.11.09 13:46:36 -05'00'

PURPOSE AND JUSTIFICATION:

Purpose: The purpose of this measure is to engage with the Town Council and develop a strategy for the allocation of the Town of North Attleborough's certified Free Cash, amounting to approximately \$5.5 million, for the fiscal year 2024 (FY24). This proposal is complies with the Town established policy to optimize the town's financial resources, in cooperation with the Town Council, by investing in capital projects, fulfilling long-term obligations, enhancing safety and security, improving public works, and fostering economic development, while maintaining fiscal responsibility and transparency.

Justification: The goal is to create agreed upon categories expenditures to serve as guideposts for the future investments or expenditures of FY24 Free Cash. This measure provide the Town Council and the Town administration the ability outline critical investments that align with the Town Council's vision and strategic plan, while also ensuring that North Attleborough remains a vibrant and fiscally secure community for current and future generations.

Annually, this process sets the stage for the Town Council to deliberate on the allocation Free Cash, ensuring that the decision-making process is transparent and guided by clear objectives and a strong rationale that reflects the best interests of the town.

Signed: **Michael Borg**

PURPOSE AND JUSTIFICATION:

The purpose of this measure is to obtain approval to transfer these parcels from the Town Council to the Town Manager for the purpose of selling.

The parcels of property known as plat 26/ lot 33, plat 26/ lot 404, plat 26/ lot 377, and a portion of lot 263 located on Allen Avenue, are each currently owned by the Town of North Attleborough. The Town would be interested in selling these properties.

If this measure is approved, the North Attleborough Town Manager would then solicit bids for the sale of these parcels of land on Allen Ave., North Attleborough, MA, which totals approximately 27.37 acres. The Request for Bid-Sale of Real Property would then be advertised in The Sun Chronicle and on the Town's Website for at least two weeks before sealed bids would be received.

Therefore, I am asking that the Town Council approve that the Parcels of Land Located on Allen Ave. further described as plat 26/ lot 33, plat 26/ lot 404, plat 26/ lot 377, and a portion of lot 263 be transferred from the Town Council for the purpose for which it is held, to the Town Manager for the purpose of sale.

Good Morning Nacelyn and Melissa,

I hope you both had a wonderful thanksgiving. I just received the Blue 20/20 Invoice # 2173711152023. And there is a charge of \$8.86 that is not listed/detailed out. Our November Bill totaled to \$1596.14, but on the December Bill the Previous charges are listed as \$1605. Can you please tell me what this difference is?

Thank You,

TOWN COUNCIL MEASURE SUBMITTAL

Date: 01/22/2024

Submitted By: Building Department

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

Authorization of an FY23 Invoice in the amount \$875.00 for costs associated with securing the Webster Building, located at 262 Broadway, back on August 19, 2022.

Signed: _____

PURPOSE AND JUSTIFICATION:

Our office received this invoice via email back on November 18, 2023. The company said they submitted it back in 2022 right after the job was complete but noone in our office recalls seeing it at that time. This work was done at the Town's request for safety reasons so we do need to pay them for their services.

TOWN COUNCIL MEASURE SUBMITTAL

Date: 01/22/2024

Submitted By: Town Manager

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

Appropriation request for the utilization of FY23 Retained Earnings for Comcast PEG Access for North TV (for additional funding for Measure 2023-073) for the North Attleboro High School Press Box in the amount of \$8,335.50.

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2024.01.21 15:37:55 -05'00'

PURPOSE AND JUSTIFICATION:

Each year the Town receives funds from Comcast for the funding of North T.V. Capital Improvement Projects to enhance PEG access. Measure 2023-073-Utilization of FY23 Retained Earnings for Comcast PEG Access for North TV was approved in the amount of \$6,600.00 for the following capital purchases:

2 Sony 100M Hybrid Optical Cable	\$2,750.00
1 325' SDI Cable (2), Audio (2), CAT5 (1)	\$1,250.00
Install- Snake Sony camera cables, audio, video and CAT cable between press box and van location. Terminated cables	\$2,500.00
Incoming Freight	\$100.00
Total :	\$6,600.00

After this amount was approved by the Town Council, North TV Director Peter Gay met with the Vendor, Ockers Company, and the scope of services was modified, additional equipment was needed and therefore additional funding was required.

The addition of a digital scoreboard and feeding video from the North TV production van to the press box requires additional cables, equipment, monitors, and installation expenses that had not been originally anticipated. The cables and equipment include 325' SDI cables, one 31.5" 4K Hi-Def monitor, one 28" 4K Hi-Def monitor, two wall mounts for the monitors, additional cables and connectors and the necessary installation. This additional equipment totals \$8,335.50.

Therefore, I respectfully request that the Town Council approve the request for the utilization of FY23 Retained Earnings for Comcast PEG Access for North TV for the North Attleboro High School Press Box in the amount of \$8,335.50. These funds will supplement the request of approved Measure 2023-073-Utilization of FY23 Retained Earnings for Comcast PEG Access for North TV was approved in the amount of \$6,600.00 for the North Attleboro High School Press Box.

TOWN COUNCIL MEASURE SUBMITTAL

Date:	1/22/2024	Submitted by:	Town Manager Town Manager	Telephone #	508-699-0100
--------------	-----------	----------------------	---------------------------	--------------------	--------------

MEASURE DESCRIPTION:

Request that Parcel of Land described as Plat 34/ Lot 555 be transferred from the Town Council for the purpose for which it is held to the Town Manager for the purpose of sale.

Digitally signed by Michael Borg
Date: 2024.01.21 15:42:46
-05'00'

Signed: Michael Borg

PURPOSE AND JUSTIFICATION:

The purpose of this measure is to obtain approval to transfer this parcel from the Town Council to the Town Manager for the purpose of selling.

The parcel of property known as plat 34/ lot 555, is 1.6 acres and is located off of Kelley Blvd., is currently owned by the Town of North Attleborough. The Town would be interested in selling this property.

All applicable Zoning Bylaws remain in force.

If this measure is approved, the North Attleborough Town Manager would then solicit bids for the sale of this parcel of land off of Kelley Blvd., North Attleborough, MA, which is approximately 1.6 acres. The Request for Bid-Sale of Real Property would then be advertised in The Sun Chronicle and on the Town's Website for at least two weeks before sealed bids would be received.

Therefore, I am asking that the Town Council approve that the Parcel of Land located off of Kelley Blvd. further described as plat 34/ lot 555, be Transferred from the Town Council for the purpose for which it is held, to the Town Manager for the purpose of sale.

MEASURE DESCRIPTION:

Award Sisters at Heart \$25,000.00 of ARPA NEU Funding.

Signed:

Michael Borg

Digitally signed by Michael Borg
Date: 2024.01.21 16:03:02 -05'00'

PURPOSE AND JUSTIFICATION:

Purpose:

The primary purpose of this measure is to authorize the allocation of funds from North Attleborough's American Rescue Plan Act (ARPA) Non-Entitlement Unit (NEU) funds to Sisters@Heart. Specifically, the measure seeks to address the funding shortfall caused by the recent 9C cuts, ensuring the completion of a critical health project initiated by Sisters@Heart.

Justification:

Completion of AED Installation Project: The installation of Automated External Defibrillators (AEDs) is a public safety priority. AEDs are essential in providing immediate assistance in cardiac emergencies, significantly increasing the survival rate from sudden cardiac arrests. The measure will ensure the completion of installing the remaining four AEDs, making them accessible to the public, especially in high-traffic areas. The 50% reduction in the earmarked funds due to the Governor's 9C cuts has created a significant financial gap for Sisters @ Heart. Utilizing a portion of the ARPA NEU funds, which currently stands at \$600,000, to fill this gap is a strategic and impactful use of these resources.

Community Impact and Awareness: Sisters @ Heart plays a crucial role in supporting the community and raising awareness about heart and brain health. This aligns with the broader goals of Town Council with support for public health and community welfare.

Utilization of ARPA Funds: The ARPA NEU funds are intended to support urgent COVID-19 response efforts, replace lost public sector revenue, support immediate economic stabilization, and address systemic public health and economic challenges. The funding for Sisters @ Heart falls within these guidelines, as it addresses a public health need and contributes to the community's long-term well-being.
