### PURPOSE AND JUSTIFICATION:

The Cablecast unit that provides the complete operation of North TV's video storage, playback, program replay and video on demand services has reached a point where the available storage has fallen to a point that is below 17%.

The North TV staff have been receiving warnings since the capacity fell under 20% warning that the lack of storage can lead to problems with operation. This has happened on at least one occasion when the meeting of one board appeared in the file of another board.

North TV received a quote that will increase the storage by 30TB (the existing unit, purchased almost six years ago, had only 27TB).

North TV will also upgrade the video on demand and automation servers providing a more secure and uniform operation.

Therefore, an appropriation request for the utilization of FY24 Retained Earnings from Verizon PEG Access Account to purchase new server equipment for North T.V. in the amount of \$16,259.70 is being requested for your consideration.

**PURPOSE AND JUSTIFICATION:**

The purpose of this measure is to obtain approval to transfer these parcels from the Town Council to the Town Manager for the purpose of selling.

The parcels of property known as plat 26/ lot 33, plat 26/ lot 404, plat 26/ lot 377, and a portion of lot 263 located on Allen Avenue, are each currently owned by the Town of North Attleborough. The Town would be interested in selling these properties.

If this measure is approved, the North Attleborough Town Manager would then solicit bids for the sale of these parcels of land on Allen Ave., North Attleborough, MA, which totals approximately 27.37 acres. The Request for Bid-Sale of Real Property would then be advertised in The Sun Chronicle and on the Town's Website for at least two weeks before sealed bids would be received.

Therefore, I am asking that the Town Council approve that the Parcels of Land Located on Allen Ave. further described as plat 26/ lot 33, plat 26/ lot 404, plat 26/ lot 377, and a portion of lot 263 be transferred from the Town Council for the purpose for which it is held, to the Town Manager for the purpose of sale.

### PURPOSE AND JUSTIFICATION:

Purpose: The purpose of funding the Special Education Stabilization Fund with ARPA funds is to:

1. Ensure continuity of services through the uninterrupted delivery of special education services to students with disabilities, irrespective of financial uncertainties.
2. Address unforeseen costs and expenses that arise due to fluctuations in special education needs.
3. Enhance our flexibility and responsiveness within the school district with the flexibility to respond promptly to emerging special education needs without the need for immediate budget reallocations or cuts to other essential services.

Justification: The need for allocating funds to the Special Education Stabilization Fund is underscored by several critical factors:

1. **Rising Costs:** The cost of providing high-quality special education services is steadily increasing, driven by the need for specialized staff, tailored educational materials, and technology-enhanced learning aids.
2. **Enrollment Variability:** The number of students requiring special education services can fluctuate significantly from year to year, leading to unpredictable budgetary pressures.
3. **Regulatory Compliance:** Federal and state mandates require that all students with disabilities receive a free and appropriate public education in the least restrictive environment, necessitating sufficient funding to comply with these legal obligations.

Community Impact: Investing in the Special Education Stabilization Fund reinforces the community's commitment to supporting all its members, ensuring that students with disabilities have equal opportunities to succeed and contribute to the community.

Therefore, I respectfully request the Town Council vote to transfer \$60,000.00 ARPA NEU Funds to the Special Education Stabilization Fund.
