<p>PURPOSE AND JUSTIFICATION:</p> <p>The purpose of this measure is to consider creating a bylaw that would establish the process and procedures by which a street, bridge, or other public area can be memorialized or dedicated by the Town through the Town Council. The intent of this bylaw is not to replace the process or procedure that exists in the Planning Board for subdivision street naming.</p> <p>This bylaw would include the following:</p> <ol style="list-style-type: none"> 1. Process by which an individual or entity can submit to the Town a street, bridge, or other public place a recommendation for memorialization or dedication. 2. Identification and notification of abutters must be identified for any road, street, way, or bridge. 3. The submitted recommendation would include a first choice name and a second choice name. 4. Recommended names and name changes must be submitted to Fire Department for written approval of the names chosen and their sign-off on the form. 5. Requesting party must contact all abutters to get their concurrence. Acceptance by a two-thirds majority of the abutters, as identified by the Assessor's Office, would be needed to proceed with the name change. 6.
