Experience and Education:

I am an attorney licensed in California since 2001, but currently inactive. I worked primarily in corporate litigation. During law school, I had internships in the San Francisco City Attorney's Office, the California Attorney General's Office, and California criminal court. But these experiences were all about 20 years ago.

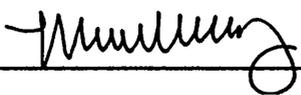

In addition to working in legal offices, I've worked at various times for: Lintas Advertising in New York City, McGraw Hill Publishing in New York City, Oracle Corporation in Silicon Valley, CA, and spent a year as a volunteer trail building/team leader for AmeriCorps in Alaska.

Since having my child 13 years ago, my life has been primarily about learning about autism and staying involved in my son's education and various therapies. I have a strong interest in politics, the environment, social programs and community involvement. I have volunteered with Adam Scanlon's election, the Keep North Attleboro Clean group, and a little bit with the public schools (occasional parent duties). I did door knocking for Question 3 a few years ago (animal welfare initiative) and I was a delegate to the Massachusetts Democratic convention last year.

I grew up in Berkeley, CA, went to college at Columbia in New York, law school at UC Hastings in San Francisco, lived in Oakland, CA from 2000-2009, then moved to Massachusetts in 2011. I have lived in North Attleboro with my husband, a Watertown MA native, and son for the past 11 years.

MEASURE DESCRIPTION: FY2024 Local Acceptance of Certain Property Tax Exemptions <p style="text-align: right;">Signed:  07 APR 23</p>
PURPOSE AND JUSTIFICATION: <p style="text-align: right;">Page 1 of 2</p> I hereby submit the following measure to the Town Council for its consideration and action: Clause 22G, Veteran whose property is being held in trust for their benefit will now qualify. A veteran would have to qualify for an exemption if property was not held in trust. Without this Clause, the veteran would not qualify for the exemption if the house were held in a trust. Clause 22H, Full exemption to qualifying surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who during active duty suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death or are missing in action with a presumptive finding of death as a result of active duty service as members of the armed forces of the United States. Clause 41A, Seniors may delay payment of their property taxes. A deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. Upon qualification the senior would enter into a written tax deferral and recovery agreement with the assessors. The assessors will record the agreement at the Registry of Deeds. The current Income limit (gross receipts) is \$20,000 for both a single person or married couple.

RE: Statutory Exemptions-local options for Fiscal 2024

At the North Attleborough Board of Assessors meeting on February 2, 2023 the Board of Assessors voted unanimously to present to the Town Manager the following:

To see if the Town will vote to accept Massachusetts General Laws Section 4 of Chapter 73 of the Acts of 1986 as amended by Chapter 126 of the Acts of 1988 which allows an additional real estate tax exemption of one hundred percent, (100%) of said exemption under Clauses 17D, 22, 37, 41C, of section 5 of Chapter 59 of the Massachusetts General Laws. Passage of this article will return qualified property owners a tax exemption that compensates for the effects of inflation since the exemptions were initially established.

Clause 22G, Veteran whose property is being held in trust for their benefit will now qualify. A veteran would have to qualify for an exemption if property was not held in trust. Without this Clause, the veteran would not qualify for the exemption if the house were held in a trust.

Clause 22H, Full exemption to qualifying surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who during active duty suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death or are missing in action with a presumptive finding of death as a result of active duty service as members of the armed forces of the United States.

Clause 41A, Seniors may delay payment of their property taxes. A deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. Upon qualification the senior would enter into a written tax deferral and recovery agreement with the assessors. The assessors will record the agreement at the Registry of Deeds. The current Income limit (gross receipts) is \$20,000 for both a single person or married couple. The Board of Assessors support the local option change to \$20,000 for a single person and \$40,000 for a married couple. This is consistent with the Fiscal 2022 local option changes to Clause 41C (Elderly) After discussion with Christopher Sweet, Treasurer/Collector they unanimously agreed to support a change in interests from 8% to 5%.

Clause 56, Upon the acceptance by the Town, the Board of Assessors may grant an Abatement/Exemption up to 100 percent of the total tax assessed to members of the Massachusetts National Guard and to reservists on active duty in foreign countries for the Fiscal Year they performed such service subject to eligibility criteria to be established by the Board of Assessors. The authority to grant abatements under this section shall expire after 2 years of acceptance unless extended by a vote of the Town Council.

As an update:

State Reimbursements, At the end of each Fiscal Year exemption totals are reported to the DOR and reimbursements are made to the Town for many of the exemptions granted. For Fiscal Year 2021 a total of \$96,325.62 was reimbursed out of \$276,413.12 granted. For Fiscal Year 2022 with the newly adopted changes a total of \$103,127.24 was reimbursed out of \$297,777.24 granted.

MEASURE DESCRIPTION:

Establish a Maximum Dollar Amount of \$9,999.99 for Town Manager Line Item Transfers for FY2024

Signed:  07 APR 23

PURPOSE AND JUSTIFICATION:

Article VI, Section 6-6 (c) of the Town Charter allows the Town Manager to make line item transfers within the budget during the fiscal year provided such transfers are of unencumbered funds and are reported to the Town Council within seven (7) days of said transfer. The maximum dollar limit of transfers must be set by the Town Council during each fiscal year. Additionally, the Town Council may establish rules regarding any appropriations transfers above and beyond the seven day notification should the Council feel the need.

For FY2020 and FY2021 that amount was capped at \$5,000.00 and pursuant to Article VI, Section 6-6 (c) notification from the Town Manager is sent to the Town Council within seven (7) days of the transfer approval. At the 4/12/2021 Town Council Meeting, Measure 2021-064 -Establish a Maximum Dollar Amount for Town Manager Line Item Transfers of FY2022 and increase the amount to \$10,000.00 was voted and approved. This process has worked well and I wish to keep this amount in line with Chapter 30B that allows for best business practices for expenditures up to \$9,999.99.

Therefore, I respectfully request the Town Council vote "to approve, per Article VI, Section 6-6(c) of the Town Charter, a maximum limit for line item transfers that the Town Manager may approve at \$9,999.99 for fiscal year 2024."
