PURPOSE AND JUSTIFICATION:

The purpose of this measure is to request Town Council confirmation of the appointment of Amy Sullivan as the Information Technology (IT) Director for the Town of North Attleborough.

April 2, 2025

Director of Human Resources
Human Resources Department
Woodcock Administration Building
6 Morse Street
North Attleborough, MA 02760

Dear Employer,

Since helping fellow students install add-in networking PCI cards during Freshmen Orientation at Anna Maria College, I have loved working with computers. While studying as an undergraduate, I became a tutor in the Learning Center where I taught Microsoft Excel, as well as aiding two visually impaired students with assistive technology. As a graduate student at Boston University I became familiar with programming and modeling software.

For over six years I worked at Joe's Computer Services on Kelley Boulevard in North Attleborough, and my knowledge of computers and computer systems grew exponentially. In the course of removing viruses and spyware from infected machines, and in replacing and upgrading hardware, I learned something new every day.

In my nearly ten years with the North Attleboro Municipal IT department, I have rounded-out my technological experience with the fundamentals of networking, Active Directory Domains, VMWare, and a host of specialized software.

I have taken over administration of our Enterprise ERP (Munis) software, built and now manage our online Permitting and Licensing portal, and I was a key part of the hardworking team that deployed our new IP-based town-wide phone system.

As Acting I.T. Director, I have rapidly become familiar with the Town's contracting and procurement process as well as the department's approximately \$1.5 million budget. I have a great deal of experience interacting with the public as well as my fellow employees. My ability to discuss difficulties and options with end-users of vastly different comfort levels may be the toughest, and most vital skill when troubleshooting problems, and I feel this will serve me well as a department head.

Thank you for considering me for the Information Technology Director position and I look forward to hearing from you,

Sincerely,

Amy M. Sullivan

TOWN COUNCIL MEASURE SUBMITTAL

Date: 4/28/2025

Submitted By: I.T. Department

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

Authorization to pay FY24 Invoices for AT&T Mobility for the I.T. Department in the amount of \$190.06
Authorization to pay FY23 Invoices for Verizon Global for the I.T. Department in the amount of \$24.34

Signed: _____

PURPOSE AND JUSTIFICATION:

The IT Department requests approval to pay outstanding invoices from AT&T Mobility for services rendered in April, May, & June of 2024. The total amount due is \$190.06, to be charged to the IT Expense, Data Lines account (011559 534003). Our understanding is that these invoices remained unpaid because the previous I.T. Director was unaware that the account required paperless billing. We are also requesting approval to pay outstanding invoices from Verizon Global (land-lines) for services rendered November 2022 and March 2023. The total amount due is \$24.34, to be charged to the IT Expense, Town Hall Telephone account (011559 534000). The unpaid bills were discovered during a recent review of accounts, after FY 23 and FY 24 were closed. We are looking to remedy these outstanding balances as soon as possible and are working on putting into place new strategies for preventing this type of oversight from happening in the future.

Massachusetts Relay

Important Information Regarding MASSRelay

MassRelay
Let's talk.

What is MassRelay?

MassRelay is a public service that guarantees all citizens access to prompt, professional and accurate communication through a telephone. Consumers of these specialized services, specifically individuals who are deaf, DeafBlind, hard of hearing or have difficulty speaking, can communicate on the telephone via TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS) and Spanish. This helps ensure the ability to connect with family, friends or businesses with ease.

How does relay work?

Dial 711 to connect with MassRelay. A qualified Relay Operator will ask for the area code and the number of the person you wish to call before relaying the conversation. Generally, the Relay Operator will voice the typed message from the text telephone (TTY) user to the person on the other end. The Relay Operator then relays the spoken response by typing them back to the TTY user.

Captioned Telephone:

Captioned Telephone is ideal for individuals with hearing loss who can still speak for themselves. A captioned telephone works like any other telephone with one essential difference: it allows users to listen to their phone conversations while reading captions of what is being said to them. To call a Captioned Telephone user, dial: 711 or 877.243.2823.

How do I apply for specialized equipment?

The Massachusetts Equipment Distribution Program (MassEDP) is a service that offers residents, who have a permanent disability, access to the telephone network in their homes. MassEDP provides adaptive telephone equipment to people who have difficulty using the telephone due to issues such as hearing loss or vision loss. For more information on MassEDP go to www.mass.gov/massedp or call 800.300.5658 V/TTY.

PURPOSE AND JUSTIFICATION:

The purpose of this measure is to authorize the appropriation and transfer of \$30,000 to the Elections Office to fund the costs associated with conducting a Special Election scheduled for June 3, 2025. This election, authorized by Town Council Measure 2025-051 and approved unanimously (8-0) at the February 24, 2025 Town Council meeting, will allow North Attleborough voters to decide whether to approve a debt exclusion for the construction of a new North Attleborough High School.

The new high school is a critical investment in the Town's future, replacing an aging facility that no longer meets modern standards for safety, accessibility, or educational effectiveness. The proposed project addresses long-standing infrastructure deficiencies and positions the Town to better serve current and future students.

This Special Election was not forecasted in the current fiscal year and not included in the FY25 operating plan. As a result, the Elections Office does not have sufficient funds remaining in its FY25 budget to conduct the election. Approval of this transfer is required to ensure the Town can carry out the election in a timely, secure, and effective manner.

Funding for this election will be transferred from the following accounts:

Economic Development Coordinator – 011238 511028: \$19,675.21

Conservation Clerical Salaries – 011718 511001: \$10,324.79

This measure ensures that the Elections Office has the necessary resources to execute the Special Election and provide voters the opportunity to make an informed decision on this important capital investment.

MEASURE DESCRIPTION:

Authorization to Transfer Funds in the amount of \$60,000 to the K.P. Law Legal Services Account 011519-530003 from Town's Reserve Fund 011329-578000.

PURPOSE AND JUSTIFICATION:

The purpose of this measure is to authorize the transfer of \$60,000 from the Town's Reserve Fund to the Legal Services line item to address unanticipated legal expenses incurred over the past several months.

The Town has been involved in a series of complex and time-sensitive legal matters that have resulted in significantly increased legal expenditures beyond what was forecasted in the FY25 operating budget. These matters include a combination of litigation, land use issues, regulatory challenges, and contractual disputes that required immediate and sustained legal representation.

The following cases and matters have contributed to the increased legal service costs:

Bankert/Vikon Properties
451 Elm Street
40R Development on Kelley Boulevard
40B Development on Draper Avenue
Marijuana-related matters: Holland Brands & Green Leaf Health
Town vs. Brady
Ledgehill vs. Conservation Commission
Webster Mills site-related matters
Town vs. Cunningham
Town vs. Mason
Town vs. Hilltop LLC

Given the scope and volume of these legal issues, this transfer is necessary to ensure that the Town remains in compliance with contractual obligations for legal representation and is able to effectively defend its interests in ongoing and future proceedings.

This measure will allow the Town to maintain financial continuity in legal operations without disrupting other departmental budgets, ensuring the Town can continue to respond to legal matters
