PURPOSE AND JUSTIFICATION:

The purpose of this measure is to authorize the appropriation and transfer of \$30,000 to the Elections Office to fund the costs associated with conducting a Special Election scheduled for June 3, 2025. This election, authorized by Town Council Measure 2025-051 and approved unanimously (8-0) at the February 24, 2025 Town Council meeting, will allow North Attleborough voters to decide whether to approve a debt exclusion for the construction of a new North Attleborough High School.

The new high school is a critical investment in the Town's future, replacing an aging facility that no longer meets modern standards for safety, accessibility, or educational effectiveness. The proposed project addresses long-standing infrastructure deficiencies and positions the Town to better serve current and future students.

This Special Election was not forecasted in the current fiscal year and not included in the FY25 operating plan. As a result, the Elections Office does not have sufficient funds remaining in its FY25 budget to conduct the election. Approval of this transfer is required to ensure the Town can carry out the election in a timely, secure, and effective manner.

Funding for this election will be transferred from the following accounts:

Economic Development Coordinator – 011238 511028: \$19,675.21

Conservation Clerical Salaries – 011718 511001: \$10,324.79

This measure ensures that the Elections Office has the necessary resources to execute the Special Election and provide voters the opportunity to make an informed decision on this important capital investment.

MEASURE DESCRIPTION:

Authorization to pay FY24 Invoice for CivicPlus for the I.T. Department in the amount of \$8,673.37.

Signed: _____

PURPOSE AND JUSTIFICATION:

The I.T. Department has been attempting to consolidate several bills now paid to CivicPlus for services that were previously provided by separate companies.

Since CivicPlus purchased these disparate entities (ArchiveSocial, SeeClickFix, and AudioEyes), the total yearly expense has exceeded \$10,000.

As these are new acquisitions, CivicPlus is not in a position to combine these into a single contract.

We are still working to create an umbrella contract for all CivicPlus services, but until that time we are obligated to pay several past due bills, including this one for the Town's website (www.nattleboro.com) that was due June 8th, 2024.

The balance of \$8,673.37 will be paid out of the Maintenance of Computer Software account (011559 524302).
