Authorization for the procurement of a DPW 6-Wheel Dump Truck with FY24 Free Cash

PURPOSE AND JUSTIFICATION:

Purpose:

The purpose of this measure is to secure authorization for the payment of the Department of Public Works (DPW) 6-Wheel Dump Truck project using Fiscal Year 2024 (FY24) Free Cash. This project was previously approved for borrowing, but due to available funds, it is now proposed to be financed directly with FY24 Free Cash, thus eliminating the need for borrowing.

Justification:

The justification for this measure arises from the underutilization of the allocated Free Cash for snow and ice removal in the current fiscal year. This under-expenditure has resulted in surplus funds, providing a unique opportunity to fund essential municipal projects without incurring additional debt. By authorizing the use of FY24 Free Cash for the procurement of the \$350,000 DPW 6-Wheel Dump Truck, the Town can efficiently allocate resources, enhance municipal services, and maintain fiscal responsibility by reducing reliance on borrowed funds. This approach not only streamlines the funding process but also expedites the acquisition of critical equipment needed for town operations.
