TOWN COUNCIL MEASURE SUBMITTAL

Date: 1/31/2025

Submitted By: Councilor Mark Gould

Telephone #: 508-699-0100

MEASURE DESCRIPTION:

To authorize the Town Manager to petition the Massachusetts General Court for a special act authorizing a means-tested senior citizen property tax exemption of \$1,000. AMENDED

Signed: _____

PURPOSE AND JUSTIFICATION:

This special act is designed to provide targeted property tax relief to seniors and help them continue to thrive and be able to afford to live in North Attleboro and additionally provides an added measure of protection from tax increases. The act is entitled: An act authorizing the city known as the Town of North Attleborough to establish a means-tested senior citizen property tax exemption.

There have been many communities in the position that North Attleboro finds itself in, cognizant of the tax burden of its senior citizens with rising assessments and taxes for those on fixed incomes. In recent years many communities have adopted special acts in order to shield their aging population that has contributed to the town for decades but finds itself in an untenable financial situation with rising health care costs, medicine, food, and general costs of living that have outpaced their fixed income.

This special act, as many other special acts passed by other communities, is pegged to the Massachusetts Circuit Breaker Income Tax Credit criteria that are substantially as follows and are more completely set forth in the attached proposed special act. This special act would compliment the Circuit Breaker credit and add a layer of protection to Senior Citizens whose income doesn't exceed:

\$72,000 for a single individual who is not the head of a household; \$91,000 for a head of household; \$109,000 for married couples filing a joint return; These amounts are adjusted annually and tied to the CPI; And other asset and residential criteria as specified in the attached special act.

Motion: To authorize the Town Manager to petition the Massachusetts General Court for a special act in the form set forth in the special act as amended entitled: "An act authorizing the city known as the Town of North Attleborough to establish a means-tested senior citizen property tax exemption", authorizing a means-tested senior citizen property tax exemption; provided, however, that the General Court may reasonably vary the form and substance of this requested legislation within the scope of the general public objectives of this petition.

SPECIAL REQUIREMENTS: Requires Majority Vote of Town Council, MA House, Senate, and Governor

ATTACHMENTS: Proposed Special Act, Other Communities Special Acts

REFER TO SUB-COMMITTEE: N/A *Time sensitive due to state approval process

AN ACT AUTHORIZING THE CITY KNOWN AS THE TOWN OF NORTH ATTLEBOROUGH TO ESTABLISH A
MEANS-TESTED SENIOR CITIZEN PROPERTY TAX EXEMPTION

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. With respect to each qualifying parcel of real property classified as Class One, residential in the town of North Attleborough, there shall be an exemption from the property tax of \$1,000 annually; provided, however, that the exemption shall be applied to the domicile of the applicant only. For the purposes of this act, "parcel" shall mean a unit of real property as defined by the board of assessors under the deed for the property and shall include a condominium unit. The exemption provided for in this section shall be in addition to any other exemptions allowed under the General Laws.

SECTION 2. The board of assessors of the town of North Attleborough may deny an application if the board finds that the applicant has excessive assets that place the applicant outside of the intended recipients of the exemption established pursuant to this act. Real property shall qualify for an exemption under this act if:

- (i) the qualifying real property is owned and occupied by a person whose prior year's income would make the person eligible for the circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws;
- (ii) the owners of the qualifying property must have filed in the immediate prior year for the maximum circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws;
- (iii) the qualifying real property is owned by a single applicant who was 65 years of age or older at the close of the previous year or jointly by persons either of whom is 65 years of age or older at the close of the previous year if the joint applicant is 60 years of age or older at the close of the previous year;
- (iv) the qualifying real property is owned and occupied by the applicant or joint applicants as their domicile;
- (v) the applicant or at least 1 of the joint applicants has been domiciled and owned a home in the town of North Attleborough for not less than 10 consecutive years before filing an application for the exemption;
- (vi) the maximum assessed value of the domicile is not greater than the prior year's maximum assessed value for qualification for the circuit breaker income tax credit under said subsection (k) of said section 6 of said chapter 62 as adjusted annually by the department of revenue; and
- (vii) the board of assessors has approved the application for the exemption.

SECTION 3. The total amount exempted pursuant to this act shall be allocated proportionally within the tax levy on all residential taxpayers.

SECTION 4. A person who seeks to qualify for the exemption under this act shall, before the deadline established by the board of assessors, file an application on a form adopted by the board of assessors with supporting documentation of the applicant's income and assets as described in the application. The application shall be filed each year for which the applicant seeks the exemption.

SECTION 5. No exemption shall be granted pursuant to this act until the department of revenue certifies a residential tax rate for the applicable tax year where the total exemption amount is raised by a burden shift within the residential tax levy.

SECTION 6. The exemption provided in this act shall expire 3 years after the effective date of this act; provided, however, that the city known as the town of North Attleborough may reauthorize the exemption for additional 3-year intervals by a vote of the legislative body of the town.

10 circuit breaker income tax credit the previous calendar year under subsection (k) of section 6 of
11 chapter 62 of the General Laws;

12 (ii) the qualifying real property is owned by a single applicant age 65 or older at the close
13 of the previous calendar year or owned jointly by persons either of whom is age 65 or older at
14 the close of the previous calendar year and if the other joint applicant is 60 years of age or older;

15 (iii) the qualifying real property is owned and occupied by the applicant or joint applicant
16 as their domicile;

17 (iv) the applicant or at least 1 of the joint applicants has been domiciled and owned a
18 home in the town of Norwell for not less than 10 consecutive years before filing an application
19 for the exemption;

20 (v) the assessed value of the domicile is not greater than the prior year's maximum
21 assessed value for qualification for the circuit breaker income tax credit under said subsection (k)
22 of said section 6 of said chapter 62 as adjusted annually by the department of revenue;

23 (vi) property taxes for the qualifying real property will not be reduced by more than 50
24 per cent by receiving this exemption; and

25 (vii) the board of assessors of the town of Norwell has approved the application.

26 SECTION 3. The board of assessors of the town of Norwell shall annually set the
27 exemption amount provided for in this act; provided, however, that the amount of the exemption
28 shall be within a range of 25 per cent to 100 per cent, inclusive, of the amount of the circuit
29 breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws for

30 which the applicant received in the previous year. The total amount exempted by this act shall be
31 annually funded by the town's overlay account in the same manner as exemptions granted under
32 section 5 of chapter 59 of the General Laws. If the board of assessors determines that the town's
33 overlay balance, accounting for all other exemptions, abatements, outstanding real and personal
34 property balances and reserves for pending cases before the appellate tax board, is insufficient to
35 fund the total amount exempted by this act in any fiscal year, the board of assessors may adjust
36 the exemption amount outside of the range established in this section based on temporary fiscal
37 necessity.

38 SECTION 4. A person who seeks to qualify for the exemption under this act shall, before
39 the deadline established by the board of assessors of the town of Norwell, file an application, on
40 a form to be adopted by the board of assessors, along with the supporting documentation of the
41 applicant's income and assets as described in the application. The application shall be filed each
42 year for which the applicant seeks the exemption. The board of assessors may deny an
43 application for an exemption under this act if the board of assessors finds that the applicant has
44 excessive assets that place the applicant outside the category of intended recipients of the
45 exemption under this act.

46 SECTION 5. An exemption shall not be granted under this act until the department of
47 revenue certifies a residential tax rate for the applicable tax year.

48 SECTION 6. This act may be revoked by an affirmative vote of a majority of the voters
49 at any regular or special town meeting at which the question of revocation is placed on the ballot.
50 Revocation shall take effect 30 days after an affirmative vote by the town.

51 SECTION 7. This act shall take effect upon its passage.

Acts (2024)

Chapter 329

AN ACT AUTHORIZING THE TOWN OF HOPKINTON TO ESTABLISH A MEANS-TESTED SENIOR CITIZEN PROPERTY TAX EXEMPTION FOR SCHOOL BUILDING CONSTRUCTION PROJECTS

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. With respect to each qualifying parcel of real property classified as Class One, residential in the town of Hopkinton, there shall be an exemption from the property tax to be set annually by the board of assessors in an amount equal to or less than the amount that an applicant's total annual property tax increases as directly caused by the town of Hopkinton borrowing, including principal and interest, in any fiscal year, for certain school building construction projects; provided, however, that the exemption shall be applied to the domicile of the applicant only. For the purposes of this act, "parcel" shall mean a unit of real property as defined by the board of assessors under the deed for the property and shall include a condominium unit. The exemption provided for in this section shall be in addition to any other exemptions allowed under the General Laws.

SECTION 2. The board of assessors of the town of Hopkinton may deny an application if the board finds that the applicant has excessive assets that place the applicant outside of the intended recipients of the exemption established pursuant to this act. Real property shall qualify for an exemption under this act if:

(i) the qualifying real property is owned and occupied by a person whose prior year's income would make the person eligible for the circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 of the General Laws;

(ii) the qualifying real property is owned by a single applicant who was 65 years of age or older at the close of the previous year or jointly by persons either of whom is 65 years of age or older at the close of the previous year if the joint applicant is 60 years of age or older at the close of the previous year;

(iii) the qualifying real property is owned and occupied by the applicant or joint applicants as their domicile;

(iv) the applicant or at least 1 of the joint applicants has been domiciled and owned a home in the town of Hopkinton for not less than 10 consecutive years before filing an application for the exemption;

(v) the maximum assessed value of the domicile is not greater than the prior year's maximum assessed value for qualification for the circuit breaker income tax credit under said subsection (k) of said section 6 of said chapter 62 as adjusted annually by the department of revenue; and

(vi) the board of assessors has approved the application for the exemption.

SECTION 3. The total amount exempted pursuant to this act shall be allocated proportionally within the tax levy on all residential taxpayers.

SECTION 4. A person who seeks to qualify for the exemption under this act shall, before the deadline established by the board of assessors, file an application on a form adopted by the board of assessors with supporting documentation of the applicant's income and assets as described in the application. The application shall be filed each year for which the applicant seeks the exemption.

SECTION 5. No exemption shall be granted pursuant to this act until the department of revenue certifies a residential tax rate for the applicable tax year where the total exemption amount is raised by a burden shift within the residential tax levy.

SECTION 6. The board of assessors may grant exemptions pursuant to this act until the town of Hopkinton has retired the full debt encumbered by any borrowing, including principal and interest, in any fiscal year, for certain school building construction projects as provided under section 1.

SECTION 7. This act shall take effect upon its passage.

Approved, January 6, 2025.

Re: Senior Tax Relief Proposal – Additional Comments for Finance Committee Consideration

Chair John Simmons and Members
Finance Committee
Town of North Attleboro

As the author of the senior tax relief proposal currently under consideration, I had hoped to be part of the continued discussion to collaborate and contribute constructively to the development of a solution. However, I have been informed that I am not permitted to attend the upcoming Finance Committee meeting due to concerns about Open Meeting Law. While I respect the need for legal compliance, I believe the exclusion of an elected Councilor from a public meeting—particularly one focused on a proposal I introduced—sets a troubling precedent for transparency and collaboration, and teamwork.

It's also worth noting that the Finance Committee holds significant weight in shaping policy outcomes, with a historical Council approval rate for its recommendations of approximately 100%. As such, meaningful discussion and influence often occur at the committee level. By being excluded from this setting, I am also excluded from hearing the administration's feedback firsthand and from participating in the collaborative process that informs final Council action.

This concern could be easily addressed by including a sentence in the meeting posting stating that the committee meeting may constitute a meeting of the full Council, exactly as was done for the previous Finance Committee meeting. That approach allowed full participation while remaining compliant with Open Meeting Law.

Since I will not be allowed to participate directly, I respectfully submit the following comments for your consideration.

In my view, the original proposal—prior to amendment—remains a viable and meaningful option. It was designed to **exempt eligible seniors from the tax increase associated with the new high school project**, offering targeted relief to those most in need while shifting approximately \$17 across the tax base. That modest shift keeps the impact manageable for the general population.

The amended version under discussion, which would increase the benefit to \$1,000 for eligible seniors using the same qualifying criteria, is also a strong option. Based on preliminary modeling, this would result in a similar \$17 shift town-wide. Any criteria is modifiable essentially “untying” the special legislation from the circuit breaker criteria. If entertained, I would suggest removing the high appraised value allowed under the circuit breaker criteria.

Additionally, I would support increasing the income eligibility limit—by perhaps 50%, or another agreed-upon amount—to expand the benefit to more seniors. However, we should be aware that if significantly more residents qualify (e.g., 500–1,000 additional seniors), the financial impact on the general tax base could increase proportionally—by approximately \$100–\$200 per household. This trade-off should be carefully considered to strike the right balance between helping vulnerable seniors and maintaining fairness for all residents.

I also stand firmly in favor of considering alternatives to ease the unmanageable burden placed on seniors by rising costs and stagnant income, while balancing the interests of all residents.

I believe that if we receive a favorable legal opinion, a property tax **freeze** could be an excellent complement to this relief effort. This type of relief has been implemented in various forms across the country, reflecting a growing recognition of the challenges facing fixed-income seniors.

Attached for reference are:

1. A summary slide from the Kansas Legislative Research Department, highlighting national trends toward circuit breaker and freeze-based relief programs.
2. Two tables from the National Conference of State Legislatures (NCSL) detailing states that have implemented property tax and assessment freezes, and

These models offer valuable insights as we consider additional long-term strategies for North Attleboro.

However, we should not delay immediate action waiting on legal clarification. **Our seniors need relief now—and we should deliver it without further delay.**

I share this input not only as the proposal’s author, but as someone who has previously advised legal counsel in the Governor’s Office, the Senate, and the House on related matters. I say that only to emphasize my commitment to legal compliance, transparency, and sound policy.

Thank you again for your work on this important issue, and for your willingness to consider a range of perspectives.

Respectfully,

/s/ Mark S. Gould, Jr.

AFFORDABLE HOUSING PROPERTY TAX EXEMPTION

(G.L. c. 59, § 50)

SUMMARY:

This Informational Guideline Release (IGR) informs local officials about a new local option, affordable housing property tax exemption. The exemption was created by section 3 of “AN ACT TO IMPROVE THE COMMONWEALTH’S COMPETITIVENESS, AFFORDABILITY AND EQUITY,” which was signed into law on October 4, 2023. [St. 2023, c. 50](#). For municipalities that accept it, this new tax exemption would apply to the property of residential unit owners who rent their units to income-qualifying persons at affordable rates on a year-round, annual basis.

GUIDELINES:

I. LOCAL ACCEPTANCE

A. Acceptance

Acceptance of G.L. c. 59, § 50 is by vote of the municipality’s legislative body, subject to charter. [G.L. c. 4, § 4](#). Following acceptance, the board of selectboard of a town; the town council of a municipality having a town council form of government; the city manager, with the city council’s approval, in a city with a plan D or E form of government; or the mayor, with the city council’s approval, in all other cities may establish the parameters of the affordable housing property tax exemption. This includes all of the locally determined amounts noted in Section II below, any other restrictions or regulations consistent with the intent of the law and any local rules and procedures. A municipality may also adopt ordinances or by-laws to implement the provisions of the exemption.

B. Effective Date

The acceptance vote should explicitly state the fiscal year in which the exemption will first be available, the first of which can be fiscal year 2025.

C. Revocation

Acceptance may be revoked, but the city or town must wait until at least three years after acceptance. Revocation is also by vote of the legislative body, subject to charter. [G.L. c. 4, § 4B](#).

D. Notice of Acceptance or Revocation

The city or town clerk should notify the [Municipal Databank](#) that G.L. c. 59, § 50 has been accepted or revoked as soon as possible after the vote takes place.

II. SCOPE OF ABATEMENT

A. Residential Ownership

Applicants, including the trustees of a trust, must be the assessed owner of the property on which the tax to be abated is assessed and must own the property on the applicable July 1 exemption qualification date.

This exemption only applies to class one residential units. The unit is not required to be subject to an affordability restriction, but it may have one. Additionally, an accessory dwelling unit that meets the qualifications is eligible to receive the exemption.

B. Domicile

The applicant does not have to be domiciled on their property to qualify unless the municipality adopts a local rule requiring this.

C. Exemption Amount

The amount of the exemption will be determined locally but cannot be more than the tax otherwise due on the parcel (based on its assessed full and fair cash value), multiplied by the square footage of the qualifying housing units and divided by the total square footage of the structure located on the parcel.

For example, based on full and fair cash value, the tax obligation of a three-unit home is \$12,000. Each of the three units is 900 square feet. If only one of the units qualifies for the exemption, then the property owner would receive an exemption equal to 1/3 (900/2700) of the locally determined amount. As such, in this example, the maximum exemption amount would be \$4,000 for that unit.

Otherwise, if a property for which an applicant seeking an exemption is assessed by an income approach to value, then fair market rent must be assumed for all units.

D. Exemption Criteria

Residential unit owners must rent their units to income-qualifying persons at an affordable rate in order to qualify for exemption. The affordable housing rate is determined by the city or town but must be in accordance with the United States Department of Housing and Urban Development's (HUD) guidance and regulations.

Additionally, the occupants must have an annual household income that does not exceed the amount set by the city or town; provided, however, that said income shall not be more than 200 percent of the area median income. HUD income limits are available online [here](#).

For example, a municipality determined that the gross occupant income shall not exceed 80 percent of area median income. The municipality further determined that the affordable rate shall not exceed 30 percent of the actual occupant's monthly household income. An application is submitted for an occupant household of one. The relevant area median income limit for a household of one within the statistical area in which the municipality lies was \$82,950. Under the established guidelines of the municipality as set forth above, an occupant income of \$82,950 meets the income requirement, and rent no higher than \$24,885 annually meets the affordable rate requirement.

Further, the unit(s) in question must be rented on an annual basis and be occupied by qualifying persons for the entirety of the applicable fiscal year. If a unit is occupied as such by successive but separate annual leases to qualifying persons, without a significant gap between said leases, the unit is still eligible for exemption.

There are no age-related criteria for qualifying renters.

E. Applications to Assessors

To be considered for this exemption, applicants must submit STF 50, attached below, annually to the local assessors. The applications must include, but are not limited to, a signed lease or leases evidencing an annual rental agreement (including material terms of the lease, such as the rental amount and coverage for the 12 months of the entire fiscal year at issue) with proof of the household income of the occupying person(s) as established through federal and state income tax returns. The application must be filed with the assessors on or before the abatement deadline date, which is the due date of the first actual tax bill.

Any abatements granted shall be charged against the overlay account. As such, the assessors should factor in the amounts needed to fund the exemption when determining overlay needs each year.

III. ADOPTION OF LOCAL RULES

As noted above, the board of selectmen or select board of a town; the town council of a municipality having a town council form of government; the city manager, with the

city council's approval, in a city with a plan D or E form of government; or the mayor, with the city council's approval, in all other cities may establish the parameters of the affordable housing property tax exemption. This includes all of the locally determined amounts noted in Section II above, any other restrictions or regulations consistent with the intent of the law and any local rules and procedures. A municipality may also adopt ordinances or by-laws to implement the provisions of the exemption.

A municipality should adopt rules to determine:

- The maximum amount of the exemption;
- The annual occupant household income limit;
- The affordable housing rate of rent;
- The domiciliary requirements of the owner, if any; and
- Any other restrictions or regulations consistent with the intent of the law it elects to implement.

Three Sources of Funds:

1. Operating Budget
2. User Fees (\$150/sport, \$600 family cap)
3. Gate Receipts

Salaries: Coaches, AD, Trainer	\$ 491,422

TOTAL AVAILABLE TO FUND OPERATIONS	\$ 699,422
---	-------------------

Projected deficit in FY'26 without any changes = \$137,000

Proposed Changes to Athletics Funding Model

- Increase Operating Budget by \$100,000
- Increase user fee to \$250/sport, \$750 family cap

Closing Thoughts

- This is a needs-based budget.
- If full funding is not achieved, we must, at a minimum, ensure an appropriate level of service, including effective service delivery, reasonable class sizes, and sufficient funding to meet our salary and non-salary obligations.
- Because a need goes unfunded, does not mean the need has gone away.
