Mr. Michael Borg
North Attleboro Town Manager
43 South Washington St
North Attleboro, MA 02760

Dear Mr. Borg,

I respectfully submit the following list of Special Police Officers to be reappointed for the year ending May 31, 2025.

Due to P.O.S.T. regulations, we no longer have any Special Officers that had completed only the Reserve/Intermittent Academy. Each of our current Special Police Officers are retirees from decades long careers with the North Attleboro Police Department. These officers have completed annual in-service training to include certification in CPR and they have been qualified in the use of their baton, OC and firearm by the North Attleboro Police Department firearms instructors. Each officer is in good standing and is certified by the P.O.S.T. Commission.

The major functions to be performed by these Special Police Officers include traffic details and assisting at parades and public functions. With their experience, training and current certifications the Special Police Officers could be utilized for any critical incident or disaster to supplement the department's manpower needs.

Respectfully submitted,

Richard McQuade

Chief of Police
