North Attleboro Launches \$150,000 Business Accelerator Program to Support Local Businesses and Entrepreneurs

North Attleboro, MA - July 10, 2023 - The Town of North Attleboro is excited to announce the launch of the North Attleboro Business Accelerator program, aimed at empowering small businesses and entrepreneurs in the community. Through the tireless efforts of Senator Paul Feeney, D-Foxboro, who secured \$150,000 in funding, this program will provide valuable support and resources to individuals seeking opportunities within the town.

Aspiring entrepreneurs and small businesses are encouraged to apply for the program by accessing the application forms available on the official Town website starting July 10. Interested applicants can visit <https://www.nattleboro.com/naba> to access the forms and find further information regarding the North Attleboro Business Accelerator (NABA). The deadline for submitting applications is mid-August.

Each application will undergo a comprehensive review process, evaluating its merits and potential impact on the local economy. Successful applicants will have the opportunity to receive grants of up to \$25,000, with disbursement as early as this August. These grants are exclusively available to North Attleboro-based businesses.

"We are thrilled to introduce the North Attleboro Business Accelerator program, which will play a pivotal role in fostering the growth and success of our local businesses," said Town Manager Mike Borg. "This initiative demonstrates our commitment to supporting entrepreneurship, creating job opportunities, and strengthening our community's economy. We are grateful to Senator Paul Feeney and the Town Council's Economic Development Subcommittee for their efforts in securing the funds and providing guidance and direction for this uniquely North Attleboro program."

Interested applicants can reach out to Lyle Pirnie for further assistance. For individuals who prefer physical copies of the application forms, paper applications are available at the Town Manager's Office.
