Btw Property Owner & Town

Date: _____

To: Mark L. Hollowell, Director
Department of Public Works
49 Whiting Street
North Attleboro, MA 02760

RE: _____
(Property address)

Dear Mr. Hollowell,

I, _____, own _____
(Owner's Name) (Property address)

And hereby understand that the proposed connection to the Town owned drain system is at the risk of the property owner and that any damages to the drain system will be at no cost to the Town, said costs to be borne by the property owner. Additionally, the property owner shall acknowledge that the Town of North Attleboro hereby warns the property owner of the possibility of surcharges in the drainage system that could create a backup into the property and structures involved and holds the Town harmless. Furthermore, the property owner is the sole beneficiary of the proposed work and that the work is the property and responsibility of the owner for maintenance and upkeep. Upkeep includes the maintenance of any sidewalk or pavement settlements and the restoration of public or private property as necessary. The connection is for the clean stormwater or groundwater and the Town reserves the right to block or sever the private connection if an illicit discharge is discovered.

Sincerely,

X _____
