

BULK ITEM PICKUP

As of July 1, 2022, "Yellow Bulky Item Tags" for the disposal of curbside bulk items are no longer being used.

All requests and payments for collection of bulk items will be made directly through our hauling company, Waste Management at (800)-972-4545 or online at WM.com. Please see our webpage at nattleboro.com/solid-waste-department for more information.

BULKY METAL PICKUP

FREE pickup of bulky metal objects and white goods will be held monthly by appointment.

- To be eligible, you must have paid the annual solid waste fee in full.
- To be put on the schedule, you need to call the hotline at 508-699-0151.
- To be eligible, items must be 90% metal.
- To see a complete list of acceptable/unacceptable items and the next collection date, please visit our website at nattleboro.com/solid-waste-department.

Weekly Curbside Trash

Place trash and recycling curbside by **7:00 a.m.** on your designated collection day with the arrows facing the street.

★ Trash must be in a tied plastic bag and placed inside the black trash toter with the lid closed. Overfilled toters will not be collected. Trash that does not fit in the toter should be put in a Town bag or a commercial bag with a "Bag Tag" attached to each bag and placed curb.. Bags should not exceed 20 lbs.

HOLIDAY SCHEDULE

Holidays with a delay are: Memorial Day, Labor Day and Thanksgiving. Delays for New Years, July 4th and Christmas are only if the holiday is on Monday through Friday.

CART CARE

If you experience any problems with your cart (broken lid, lost or broken wheels) please contact the Solid Waste Dept. (508-699-0105) to arrange for repairs to be made.

- Household Items:** Vacuum, electric heater, etc.
- Metal:** Tools, yard decorations, curtain rods, etc.
- Batteries:** Lithium or any rechargeable battery
- Fluorescent Bulbs**
- Other:** Propane tanks, fire extinguishers, tires
- Hazardous Waste:** Oil based paint, turpentine or other solvents, pesticides, fertilizers, waste fuels, pool chemicals, cleaners ie: oven, drain or toilet bowl, auto battery, antifreeze, motor oil, mercury thermostats & thermometers.

Please call the office if you have any questions.

IMPORTANT REMINDERS

Cart etiquette

- Each cart has been assigned to a single household and has a serial number for identification.
- All materials must fit in the cart so that the lid is closed. Overflowing carts will not be tipped. Additional trash should be put in Town Bags.
- Cart placement is important — The arrows on the lid must be facing the street. The cart should be on the corner of the driveway. Please be careful not to block the sidewalk plow during the winter months.
- The cart must be 3 feet away from poles, mailboxes and trash cans.
- Contaminated carts will be tagged and left Behind. If they are cleaned out they will be tipped the following week.

Paper/Cardboard

- Paper towels, tissues, paper plates and paper egg cartons do not have enough fiber to be recycled. It goes in your trash or compost bin.

Plastics

- Plastic containers include bottles with necks and tubs such as large yogurt and margarine containers.
- Do not put your recycling in plastic bags.
- Recycle your plastic bags at your local grocery store.
- No bubble wrap or film plastic accepted.

Yard Waste & Grass Clippings

- Compost Site on Plain St. is open 9 months/year. For a schedule, please visit DPW's webpage at nattleboro.com/departments-public-works or call 508-699-0100 x6542.
