Standard Exclusions to include:

- SEI requires full access to the site for the duration of the installation to include but not limited to - Crane Truck, Van, Trailer, Lift, Concrete Truck and Excavation Equipment access
- SEI is not responsible for finish landscaping around excavated areas
- SEI is not responsible for repairs to finish landscaping as a result of required installation access, however we will work diligently and closely with the owner to limit any impact to the area.
- SEI requires power to the base of the structure by others
- SEI is not responsible for removing excavated material from site - SEI does not provide soil testing required by us to move off site
- SEI is not responsible for the integrity of the existing structure or existing power/data feeds.
- SEI will pull through conduits provided by others
- Scoreboard Enterprises, Inc. is not responsible for unforeseen obstruction while excavating, i.e. rock, ledge, water, and pipe - additional cost may be incurred as a result of excavation obstructions to be invoiced separately
- Scoreboard Enterprises, Inc has based the above installation on normal soil conditions, if abnormal soil conditions are encountered, additional cost may be incurred as a result of additional footing design.
- The installation quote is based the scoreboards sizes provided on this quote, if larger scoreboards are selected it may result in increased installation costs due to footing & steel requirements.
- Scoreboard Enterprises, Inc has based the above installation price on our standard Certificate of Insurance, if additional coverage or wording is required, additional fees will be the responsibility of the requestor for additional coverage/wording.
- Scoreboard Enterprises, Inc will pull all required permits - permit fees are excluded from the estimate and will be billed separately at cost.

Terms of Estimate:

All quotes are valid for 60 days. Expired quotes will require all pricing to be reviewed and updated.

RE: Video Display Order Incentive

Greetings from Daktronics,

Schools all over the country are seeing value in adding a Daktronics video display to their sports stadiums. While some schools see the potential for a large return on their investment through the sale of sponsorships, others value their Daktronics video boards as a learning tool for students in sports video production.

If you are considering a video display in your stadium for next season, let's work together now to get more "bang for your buck."

Purchasing, shipping, and installing your display in non "peak" season has many benefits.

1. **Installation may cost less**
2. **Lead times are shorter**
3. **A flexible schedule makes weather less of a concern**
4. **Training is more accessible**
5. **Additional time to gain comfort with the system**
6. **Less to stress out about at the start of the season**
7. **Your display can be installed before baseball or track season**

If you place your outdoor video display order now through **November 1, 2023**, and accept delivery before **February 1, 2024**, Daktronics will provide your choice of one of the following bonus incentives.

Incentive #1- Free upgrade to 3-year Labor / 5-year parts for all scoring, video, and audio equipment.

Incentive #2- 3.5% financing for 5 years.

* Subject to credit approval from Daktronics lending partner.

Incentive #3- Up to 8% of the current project value to be used to purchase additional "bonus" Daktronics standard equipment.

*Additional equipment must be added to this order before finalizing purchase.

These incentives are to express our appreciation for placing your video order outside of our peak season.

Thank you for considering Daktronics as your future scoring, video, and audio partner. We look forward to bringing your vision to life and taking your stadium to a new level!

Sincerely,

Date:
