RE: **Measure 2024-013-Approval to repurpose funds that had been allocated for the Powder House to be used for the Holmes School Property**

Town Council Meeting- President Justin Paré
Measure 2024-013-Approval to repurpose funds that had been allocated for the Powder House to be used for the Holmes School Property

The Historical Commission requests that the Town Council approve the request to repurpose funds in the amount of \$2,500.00. These funds had been allocated for the Land Survey for the Powder House as described in Measure 2020-043 (see attached document, funding source is FY20 Free Cash), and the funds were never spent. The Historical Commission would like to repurpose those funds for the Holmes School Property. The funds would be used for the repainting of the Holmes School as described in quote attached.

Therefore, I respectfully request that previously allocated funds in the amount of \$2,500.00 be repurposed for the Holmes School Property.

The Town Council met on August 28, 2023, and on behalf of the Town Council, a motion was made by Vice-President Simmons to approve Measure 2024-013- Measure 2024-013-Approval to repurpose funds that had been allocated for the Powder House to be used for the Holmes School Property.

The motion was seconded by Councilor Slobogan.
