

## North Attleboro Streetscape Improvements

### Project goals:

Make the Downtown a Destination for Pedestrians and Businesses
Strengthen downtown's role as an attractive, walkable destination for visitors and businesses
Create a visually and experientially cohesive environment
Reinforce a sense of place that reflects what makes North Attleboro unique
Create gateways to downtown
Emphasize pedestrian safety and accessibility
Improve access and safety for people biking
Maintain current traffic capacity

### Survey questions:

How well do the presented designs meet the project goals?

Very well

What are the designs' key strengths from your perspective?

Slowing down traffic, making things a more pleasant space to walk around, browse, linger

What about the designs do you feel could be improved?

Unsure. I'm hopeful local business owners will be motivated to spruce up their storefronts/signage.

What is your primary relationship to downtown North Attleboro (circle all that apply)?

- Downtown property owner
- Downtown business owner
- Downtown employee
- North Attleboro resident
- Visitor
- Other (please specify)

- ① ONE IDEA. Perhaps a one way loop around most of Dunham. → Create more parking?
- ② more outdoor dining in warm months?

### North Attleboro Streetscape Improvements

- ③ volleyball net next to pool?

#### Project goals:

Make the Downtown a Destination for Pedestrians and Businesses
Strengthen downtown's role as an attractive, walkable destination for visitors and businesses
Create a visually and experientially cohesive environment
Reinforce a sense of place that reflects what makes North Attleboro unique
Create gateways to downtown
Emphasize pedestrian safety and accessibility
Improve access and safety for people biking
Maintain current traffic capacity

Not sure Bicycling is that important for downtown?

#### Survey questions:

How well do the presented designs meet the project goals?

ITS a ~~bit~~ little hard to tell from this layout

What are the designs' key strengths from your perspective?

I like idea of making more inviting and attractive. I think lighting can be a draw at night of attractive & decorative. Winchester MA

What about the designs do you feel could be improved?

I think does a good job with that.

I believe parking is biggest problem for attracting business downtown. Particularly during cold weather

What is your primary relationship to downtown North Attleboro (circle all that apply)? which is

- Downtown property owner
- Downtown business owner
- Downtown employee
- North Attleboro resident
- Visitor
- Other (please specify)

soon part of the year

I think spending on parking would be best investment. The empty lot next to BOA would be a good addition

Thanks for the effort!

Improve access and safety for people biking
Maintain current traffic capacity

### Survey questions:

How well do the presented designs meet the project goals?

Bikeway do not help pedestrian safety  
Access for bikes should not be through a downtown area  
if you want to increase businesses.

What are the designs' key strengths from your perspective?

It is an attractive plan but will require more  
businesses downtown

What about the designs do you feel could be improved?

I do not think all the bump outs are necessary  
The island (island) near the library might be aesthetically  
pleasing but is not necessary with the walkway so  
close to it.

What is your primary relationship to downtown North Attleboro (circle all that apply)?

- Downtown property owner
- Downtown business owner
- Downtown employee
- North Attleboro resident
- Visitor
- Other (please specify)

I think you need to make sure it is accessible  
for vehicle traffic for restaurants & stores -  
parking is scarce already downtown.

Emphasize pedestrian safety and accessibility
Improve access and safety for people biking
Maintain current traffic capacity

### Survey questions:

How well do the presented designs meet the project goals?

Moderately - parking doesn't appear to be addressed

What are the designs' key strengths from your perspective?

~~sidewalk~~ → Lighting + seating would create inviting atmosphere

What about the designs do you feel could be improved?

- sidewalk space is limited → worry about cluttering a limited asset with art + planters  
- street narrowing seems excessive

What is your primary relationship to downtown North Attleboro (circle all that apply)?

- Downtown property owner
- Downtown business owner
- Downtown employee
