**Previously Posted Election Machine Testing Rescheduled**

October 17, 2024

Testing of Election Equipment for the November 5, 2024 State election will be done in the Town Hall beginning Tuesday, October 22, 2024. The testing will begin at 10:00 AM and will continue until completed. This is open to the public, however, due to the size of the testing area, we ask that anyone who will be observing please notify the elections office at 508-699-0106 if they will be observing the process.
