PURPOSE AND JUSTIFICATION:

The TNC Division of the DPU collects \$0.20 per ride assessment for all ride-shares that originate in North Attleborough. These funds are distributed annually and are required to be used for improvements to the transportation network. The Police and DPW have utilized permanent and mobile speed radar signs throughout Town to monitor and control speeds. This system allows the departments to download information without having to visit the controllers. There are currently as pairs of speed radars in Town.
