North Attleborough

Election Commissioners

We petition the North Attleboro Town Council to hold a public hearing and take action on said petition as follows:

To direct the Town Manager and for the Town Council to adopt a budget for FY26 of approximately 1% less than normally allocated: 1% of a budget of approximately \$100M is \$1M or about \$100 per family. This would create excess levy capacity allowing the Town to access said funds in case of extreme need.
