

## BY-LAW STUDY AND CODIFICATION COMMITTEE

PATRICIA C. HOWE-DIRENZO, Chairwoman  
JAMES MOYNIHAN

SCOTT SMITH  
MARK WILLIAMSON

As the new chair, I felt it was important that we reach out to the citizens, elected officials, and town leadership to communicate our professional qualifications and desire to be of service to our community.

Our focus is to keep the by-laws current with state and federal regulations. Government is a fluid, ever changing landscape and our by-laws should reflect the current tide of public administration and serve all stakeholders in the organization.

We hope to create a seamless process from creation of By-Law to our recommendations to the Finance Committee. I look forward to hearing from you.

Respectfully Submitted

Patricia C. Howe-DiRenzo, Chairwoman
