Please submit the following:

- A detailed plan of adequate size, scale, and detail to completely and accurately describe the site, resource area boundaries, and proposed work and a map showing the exact location of the proposed activity in relation to the pond;
- Verification that abutters have been properly notified in accordance with Section 3.2 of the Rules and Regulations Governing Structures on Falls and Whiting's Ponds.
- Check made out to the Town of North Attleboro in the amount of \$25.00 (filing fee).

FOR CONSERVATION COMMISSION USE ONLY

The Conservation Commission hereby finds, by a vote of _____ that the permit is:

APPROVED subject to the following conditions:

1. Permit is valid for three (3) years from date of issuance.
2. The work shall comply with Section 5.0 of the Rules and Regulations, except as authorized by the Commission. The Conservation Agent is to be notified when work is to commence and when complete.
3. All erosion control measures must be in place and inspected prior to the commencement of any work authorized by this permit, if applicable.
4. Special Conditions:

DENIED based on the following findings:
