Subject: Public Participation Article VIII Section 8-2

Mike, first sorry for the delay in response.

Public participation at Council meetings is covered, as you noted, in article VIII section 8-2.

* Matters not on the agenda - comments are permitted without further council action to allow those comments

* Matters on the agenda - comments are permitted via a vote of the council.

As the section notes the duration and rules of such participation shall be set by Council rule.
