Subject: FW: Transition Committee Question
I sent this to your Town email, did you get it?

Keith Lapointe
Council President
North Attleboro Town Council

Subject: Transition Committee Question

Hello Keith,

Per the Transition Committee's provided recommendations regarding the updates to our By-Laws, I was wondering if some the Town's officers or multi-members bodies shall also be confirmed by the Town Council as part of the normal nomination process established in the charter or are these positions directly appointed by the Town Manager without being subjected to council confirmation. See Articles VI and VIII.

Thanks,

Adam.
