**NORTH ATTLEBOROUGH TOWN COUNCIL IS PLEASED TO ANNOUNCE
THAT A COMMUNITY FORUM HAS BEEN SCHEDULED WITH THE
TOWN'S RECRUITMENT CONSULTANT TO GAIN CITIZEN INPUT ON THE
FIRST TOWN MANAGER**

North Attleborough, MA – The North Attleborough Town Council is pleased to announce it has scheduled a community forum with the Town's recruitment consultant on October 10th to give citizens the opportunity to share their thoughts on the qualifications and characteristics they believe the community's first Town Manager should possess.

The forum will be held on Thursday, October 10th, at 5:00 p.m. at The North Attleborough Police Station located at 102 South Washington Street in the Emergency Operations Center (EOC) Conference Room.

“We are interested in hearing citizens' recommendations regarding the expertise and qualifications they would like to see in their first Town Manager,” said Town Council President Keith Lapointe. “It is important that North Attleborough's citizens are an integral part of the Town Manager selection process.”

North Attleborough has hired the consulting firm Community Paradigm Associates, LLC, to facilitate the forum as represented by the Principal Bernard Lynch.

The Town Council plans to have the North Attleborough's first Town Manager selected within approximately 16 weeks.

For more information on the upcoming community forum, please contact the North Attleborough Town Council office at 508-699-0100. If you are unable to attend the forum you may send your comments/concerns directly to Bernard Lynch via e-mail at blynch@communityparadigm.com.
